Hugo Alfredsson
 Intendent, Rustmästeriet 22/23
 #: 072 162 2699
 @: intendent.rustmasteriet@mtek.chalmers.se

The lessee is a person studying Mechanical engineering and is the person collecting the key from the locker. Drivers log is a page in the car in which all usage of the car is documented. Invoicing is done based on the number of kilometers driven stated in the Drivers log and the number of rental days stated on the booking system on the website.

Responsibilities of the lessee

When renting the car I have the following obligations.

- § 1 Complete responsibility of the car during the lease.
- § 2 Responsibility that the vehicle never exits the borders of Sweden.
- § 3 If anything were to happen to the car, internally or externally, I owe the cost of repair or the excess for the insurance.
- § 4 Any fines issued during the lease I take full responsibility to pay.
- § 5 If I fail to deliver the car keys on time I will pay the fine of 500 crowns, SEK.
- § 6 If I return the vehicle not cleaned after usage I will pay the fine of 500 crowns, SEK. The intendent has complete authority to decide whether the car is cleaned or not. In case the vehicle is untidy when I am first about to use it, this must be reported to the intendent.
- § 7 Any errors noted in the Drivers log made of the previous lessee are immediately reported to the Intendent. The intendent has complete authority to decide who is responsible to pay for the missing kilometers in the log.
- § 8 When the gas tank drops below $\frac{1}{4}$ I must refuel. I will save the receipt and fill a "Blankett för utlägg" for compensation, these are found in the lounge.
- § 9 I am aware of and will follow the rules stated on the website of the section Mechanical Engineering, www.mtek.chalmers.se.
- § 10 Payment is made within 30 days after the invoice is sent.
